BUSINESS EXPERIENCE

- 2019 - 2021 COPENHAGEN INFRASTRUCTURE PARTNERS, Copenhagen, Denmark**
Danish fund management company focused on renewables and EUR 14bn under management
Analyst, Investment Team (2 years and 1 month)
- Prepared 180 pages of Final Investment Decision material for a USD ~4.0bn offshore investment in the US saving the company USD 1m+ in fees to investment banks
 - Managed cash flow forecast, IRR calculation, business case analysis, and investment decision material for an onshore development asset in the APAC region with an investment size of USD 500m+
 - Developed strategy material to determine the optimal investment areas, technologies, and allocation primarily for the EUR 7.0bn main fund
 - Created business case reviews and conducted due diligence of five new investment opportunities primarily within the APAC region
 - Handled cross-team collaboration between the Investment Team and Asset Management to analyze and create material on portfolio performance and portfolio composition
 - Interviewed and reviewed new potential Analysts for the Investment Team, and coached new hires in financial modelling and PowerPoint to ensure optimal on-boarding
 - Offered a position as Associate in both the Investment Team and the Asset Management Team
- 2017 - 2018 TOTAL, Copenhagen, Denmark**
Student Assistant, Applied Technology Secretariat (13 months)
- Managed SAP purchase orders and was a SAP super user for a department of 130 people
 - Administered intranet maintenance and updates in SharePoint
 - Implemented and communicated GDPR solutions in the three months following the new regulation
- 2017 - 2017 CHRISTIAN OLESEN GROUP, Copenhagen, Denmark**
Summer Intern, Quality Assurance (2 months)
- Updated and constructed the internal product database and overview
 - Communicated quality assurance issues in purchased products with vendors daily
- 2016 - 2017 THE ROYAL GUARDS, Copenhagen, Denmark**
Queen's Guard (8 months)
- Conducted four months of basic military training and deployed four months as a Queen's Guard
 - Promoted to the highest rank, "PFG+" and was next in command after the commanding officer
 - Achieved the highest grade (A1) and highest award (Guard of the Month, January 2017)
-
